

# Seminar in Biochemistry

## at the Institute of Biochemistry II

### Markus Bohnsack

Institute for Molecular Biology, University Medical Center (UMG)  
Georg-August-University, Göttingen, Germany

- **Tuning RNA-protein complexes:  
the roles of RNA helicases and RNA  
modifications in health and disease** •

Wednesday, June 14th 2017, 15.00 h  
University Hospital, Goethe University  
Building 75, ground floor, seminar room

**Contact:**

*Tatevik Mesropyan*, Assistant to IBCII Director  
Tel.: +49(0)69 6301-5652  
Mail: mesropyan@biochem2.de

**Host:**

*Stefan Müller*, Vice-Director  
Tel.: +49(0)69 6301-83647  
Mail: ste.mueller@biochem2.de
