

Mini Symposium on Autophagy

Lecture Hall Building 22, Hall 22-2,
28th October 2015, 15.00 h – 17.00 h

Fan

Institut für
Biochemie II

Goethe-Universität Frankfurt am Main

IBC||

Nicholas Ktistakis

Babraham Institute, Cambridge, UK

*“Starvation-induced and
selective autophagy: the first 3
minutes”*

Patrice Codogno

Institut Necker Enfants-Malades (INEM),
INSERM, Université Paris Descartes-
Sorbonne, Paris, France

*„Autophagy and primary cilia in
stress response“*

Host:

Christian Behrends and Ivan Dikic
Institute of Biochemistry II

Goethe University Frankfurt
